

E: ST LOUIS POST - DISPATCH
STAT
ST LOUIS GLOBE - DEM

22 January 1962

MEMORANDUM TO: The Director

VIA: The Deputy Director

1. While the ST. LOUIS POST DISPATCH has been opposing your appointment, its competitor, the ST. LOUIS GLOBE DEMOCRAT, has been supporting the President in his appointment of you to be the DCI. This has been the position of the two papers over the years, the POST DISPATCH favoring a watchdog committee for CIA, and the GLOBE DEMOCRAT opposing a watchdog committee.

2. Yet it must be said in fairness to the POST DISPATCH, that while they editorially favor a watchdog committee, they have permitted Gen. T. R. Phillips, their military editor, to do articles opposing a Congressional watchdog committee for CIA.

STANLEY J. GREGAN
Assistant to the Director
